Section II- Evaluation Questionnaire

Please rate this contractor's performance in each of the following areas. If you need additional space, attach additional sheets. If you rate the contractor below "satisfactory" in any area, please provide detailed information to explain the rating assigned. You are not restricted to using the numerical values (points) shown and may score in between the points shown. A total of 80 points are required for a passing grade.

1. Quality of Workmanship (0-28 points)						Carry over points
